General insurance conditions for the "Holiday Guarantee" insurance

Dear insured,

With the following terms and conditions, we, AXA Insurance UK plc, wish to inform you of the regulations that apply to the contractual relationship between TUI AG (hereinafter referred to as the "Policyholder") and us as the Insurer. TUI AG is the Policyholder of the group insurance contract concluded with us, which is also binding for you as an insured person. Because of your function as an insured person, we would ask you in particular to observe the obligations to be fulfilled in the event of a claim, as otherwise our obligation to pay benefits may be reduced or cancelled altogether.

These insurance conditions shall be valid as from 11/07/2020. They will apply to all booked or rebooked holidays with TUI AG that commenced in the period between 11/07/2020, 00:00 CET and 31/12/2020, 24:00 CET or were already commenced by that time.

I. Object of the contract

The object of the group insurance contract is the insurance cover for holders of a travel booking booked with a TUI tour operator or TUI AG, which was issued or rebooked to the insured person during the above mentioned period.

II. Commencement and duration of the insurance cover

Insurance cover commences with the effective booking or rebooking of a holiday with a TUI tour operator or TUI AG, and the conclusion of the corresponding contract of carriage and accommodation, but no earlier than 48 hours before the start of the journey. In the case of insured events that occur before the commencement of insurance cover, benefits will not be paid. In any event, the insurance cover will end with the cancellation of the ticket or with the effective date of the termination of the contract of carriage and accommodation between the TUI tour operator or TUI AG and the customer.

The insurance cover will end on the completion of the journey or 90 days after the start of the journey at the latest. Trips lasting longer than 90 days are not insured. The return journey must take place before 31/03/2021 as scheduled.

The insurance cover applies worldwide. The insured person must be resident within the European Economic Area.

III. Definitions

A doctor is a medically trained and licensed practitioner of medicine after obtaining a medical license. The doctor shall not be a relative of the Insured Persons.

- Group insurance contract

The policyholder has concluded a group insurance contract with us. The group insurance contract is a special form of insurance contract. You will be automatically registered for the group insurance contract if you book a package holiday with the policyholder, or if such a package holiday is rebooked by you.

- Medical condition

The medical condition is defined as the sum of all pre-existing symptoms and pre-existing conditions on the basis of which the insured person requires consultation and/or treatment by a doctor or healthcare professional prior to commencement of the journey.

- Obligations

We will provide benefits if the prerequisites for a claim under the insurance conditions are met. As an insured person, you have obligations to cooperate in your own interest (obligations) so that we can examine the claim. If these obligations are not fulfilled, we may not be obliged to provide benefits, or only provide some of them. Such obligations are explained in the conditions of insurance.

- Travel

For the purposes of these terms and conditions of insurance, travel is deemed to be private (lasting up to 90 days) abroad or in your home country, i.e. to a place where the insured person has no official residence.

Package tours as well as transportation (e.g. flights) and accommodation (e.g. hotel stays) are deemed to be insured travel. Package tours, in accordance with EU Directive (EU) 2015/2302 and the according local legislation, are a combined booking of at least two travel services, for example travel, accommodation, rental and further touristic services. For these services, a total price is paid.

Scheduled departure must be before 31.12.2020 and the scheduled return journey must be before 31.03.2021. Travel with a later departure or return date is not insured.

- Travel service

Travel services within the meaning of these conditions are flights, package tours, accommodation and similar services.

- Unexpected illness

An illness will be considered to be unexpected if it occurs for the first time after the start of the journey and if the symptoms of the illness prevent the start of the journey or the continuation of the journey or the scheduled termination of the journey.

- Insured persons:

If you have your official residence within the European Economic Area and if a valid booked or rebooked package holiday with a TUI tour operator or TUI AG has been issued to you or been rebooked that commenced in the period between 11/07/2020, 00:00 CET and 31/12/2020, 24:00 CET or were already commenced by that time, you will be an insured person. Family members within the meaning of these conditions are spouses and partners, provided that you live with the insured person at the common main residence, as well as dependent children of the insured person or his/her spouse or partner, up to the age of 25. These dependent children don't have to be living at the common main residence of the parents.

1. Insurance conditions for medical repatriation and medical treatment costs within the framework of the "Holiday Guarantee" insurance

1.1. Object of contract

The object of the medical repatriation is the insurance cover described below for the holder of a travel booking with a TUI tour operator or TUI AG.

1.2. Commencement and termination of medical repatriation

The insurance cover commences at the agreed point in time in accordance with Clause II of the General Terms and Conditions, but not before crossing the border abroad. A trip in this sense is any absence from the official residence of the insured person up to a maximum period of 90 days. The national territory in which the insured person has his or her official residence shall not be deemed to be a foreign country. If the return journey is not possible by the end of the insurance cover for medical reasons, the obligation to provide benefits for insured events requiring compensation shall be extended beyond the agreed period, but to a maximum of 365 days.

The official residence of the insured person is in the country where the insured person is assessed for tax purposes. In case that the insured person has an official residence in several countries, these countries will also be excluded from insurance cover.

1.3. Scope of insurance

- 1.3.1 The insurer shall provide insured persons with insurance cover for the medical treatment costs for unforeseen infections with the SARS-COV-2 virus and the resulting Covid-19 disease, as well as the medical treatment costs for comparable epidemics and pandemics. Medical treatment costs for other illnesses or accidents are not covered.
- 1.3.2 In the event of an insured event occurring during the trip abroad, the insurer shall reimburse any expenses incurred for the medical treatment and, if necessary, provide other agreed services, including:
- (a) for medicinal products, dressings and remedies, if they have been prescribed by a doctor;
 - (b) for medically prescribed aids, to the extent that they are necessary for the first time as a result of an accident occurred during the stay abroad or as a result of illness.
- 1.3.3 We cover the costs of a medically ordered PCR test. From the time of use of the test to the time of the test result, we also cover the costs of conventional mouth-nose protection masks up to EUR 25.
- 1.3.4 We will organise for you the medical repatriation from the place of travel to the country of your residence and cover the costs of this repatriation. The conditions for medical repatriation are described in paragraph 1.3.5. The disease with the SARS-COV-2 virus and the resulting Covid-19 disease or a similar epidemic or pandemic disease, which leads to medical repatriation, may not have occurred intentionally or due to gross negligence.
- 1.3.5 The costs of return transport and transfer costs in the event of a disease with the SARS-COV-2 virus and the resulting COVID-19 disease or a comparable epidemic or pandemic disease are:
- a) The costs of the return transport of an insured person shall be covered provided there are no medical or legal reasons (e.g. flight bans) to the contrary. The decision about these medical reasons is up to our medically certified international team. The return transport will transfer the insured person to the official residence of the insured person or the appropriate hospital closest to that residence.
 - b) If an insured person dies during the trip abroad, the transfer costs will be covered. Transfer costs are the direct costs of transferring the body of an insured person to the official residence of the insured person known to the insurance company.
 - c) At the request of the survivors of the insured person, the insurer also assumes the costs of a funeral on site, up to the amount of expenses that would have been incurred in the event of a transfer.
 - d) If the insured person objects to a medical return transport to the official residence or to the nearest

suitable hospital at the official domicile after the restoration of the transportability, the insured person's obligation to provide benefits ends on the day of the objection by the insured person.

- 1.3.6 We also reimburse additional travel costs and rebooking costs for insured or co-insured persons, should an insured or co-insured person have to be medically repatriated following circumstances shown in 1.3.4 or 1.3.5. We will only cover you for an economy flight cost or the cost of a normal train ticket.

1.4. Exclusions

There shall be no cover under this policy for:

- 1.4.1 Your travel to a country, specific area or event when the Foreign Office (Auswärtiges Amt) or regulatory authority in a country to/from which you are travelling has issued a travel warning.
- 1.4.2 In the event of a medical condition known in advance which was known to the insured person at the start of the trip. This includes medical conditions due to which the insured person is expecting test results.
- 1.4.3 When travelling against the advice of a practicing doctor.
- 1.4.4 The same restrictions on benefits shall apply to the consequences of an accident that occurred before the start of the journey abroad.
- 1.4.5 For illnesses and their consequences as well as for the consequences of accidents caused by acts of war or civil unrest. However, insurance cover will be provided and service will be offered if the event occurs unexpectedly after the start of the journey. The insurance cover will expire at the end of the seventh day after the start of the event. The consequences of active participation in one of such events shall be excluded from insurance cover.
- 1.4.6 For knowingly and/or intentionally induced illnesses including their consequences.
- 1.4.7 For spa and sanatorium treatments as well as for rehabilitation measures.
- 1.4.8 For outpatient treatment in a spa or sanatorium.
The restriction shall not be waived if, during a temporary stay, medical treatment is required due to a medical condition independent of the purpose of the stay or an accident occurring there.
- 1.4.9 For hazards of nuclear energy or other ionising radiation.
- 1.4.10 For scientifically unrecognised examination or treatment methods and medicinal products.
- 1.4.11 For illnesses and consequences of accidents, the treatment of which abroad was the sole reason or one of the reasons for the trip.
- 1.4.12 For damages caused by attempted suicide and its consequences as well as by completed suicide.
- 1.4.13 For damages caused by the insured person through or during the deliberate execution of a criminal offence or the deliberate attempt to commit a criminal offence.
- 1.4.14 For damages incurred in the practice of risky and extreme sports and motor sport races which among other things aim at the achieving of top speeds.
- 1.4.15 Medical repatriations to a country outside the European Economic Area and Switzerland shall be excluded.
- 1.4.16 We do not cover any medical treatment costs or medical care for diseases that cannot be attributed to an epidemic or pandemic.
- 1.4.17 Cruises are excluded from this specific insurance coverage.

1.5. Sum insured

The insurer shall be liable up to a maximum limit of EUR 150,000.

1.6. Rights in the event of damage

1.6.1 Claims against third parties:

If, in connection with the insured event, the insured person has claims for damages of a non-insurance-related nature against third parties, the insured person will be obliged, notwithstanding the statutory subrogation in accordance with § 86 VVG, to assign these claims to the insurer in writing up to the amount of the reimbursement of costs under the insurance contract. If the insured person waives such a claim or a right serving to secure such claim without the consent of the insurer, the insurer shall be released from the obligation to provide benefits to the extent that he could have demanded compensation from such claim or right.

1.6.2 Claims to insurance benefits may neither be assigned nor pledged.

1.7. Obligations in the event of damage

1.7.1 Any hospital treatment must be notified to the insurer immediately after commencement of the treatment using the contact details listed in Clause VII of the General Conditions.

1.7.2 Damage shall be kept to a minimum and unnecessary costs shall be avoided.

1.7.3 At the request of the insurer, the insured person shall provide any information necessary to determine the insured event or the insurer's obligation to pay benefits and the scope thereof.

1.7.4 At the request of the insurer, the insured person shall be obliged to have himself/herself examined by a doctor appointed by the insurer.

1.7.5 In addition, the insured person shall be obliged to enable the insurer to obtain necessary information (in particular to release the treating physicians from their duty of confidentiality).

1.7.6 If a contractual obligation to be fulfilled with regard to the insurer is intentionally breached, the insurer will be released from the obligation to pay benefits. In the event of a grossly negligent breach of an obligation, the insurer will be entitled to reduce the benefit in proportion to the severity of the fault. If it can be proven that the obligation was not violated due to gross negligence, the insurance cover will remain in force. The insurance cover shall also remain in force if it can be proven that the breach of the obligation was not the cause of either the occurrence or establishment of the insured event nor of the establishment or scope of the benefit. The knowledge and fault of the insured person shall be equivalent to the knowledge and fault of the policyholder.

1.8. Subsidiarity

If, as the case may be, there is an entitlement to benefits from health, accident or pension insurance, to statutory curative care, accident care or to benefits by another party liable to pay compensation, the insurer will, as the case may be, only be liable to pay benefits for the amount in excess of the indemnifier's obligation to pay for the necessary expenses.

If there is a claim against third parties, the insured person will, as the case may be, receive an advance payment from the insurer.

- 2.4.5. We will only pay for costs which are not covered by third parties (e.g. authorities).
- 2.4.6. We shall not be liable for quarantine costs incurred if the holiday country prescribes quarantine after entry for all persons entering the country and if the insured person must have been aware of this fact before commencing the trip.
- 2.4.7. The benefits referred to in 2.3 are based on the local conditions in the holiday destination. We will of course endeavour in every situation to find a solution to the situation of the insured person. However, if a benefit cannot be provided due to local circumstances, our obligation to provide benefits shall not apply.

2.4.8. There will be no insurance cover in the event of a concerted state repatriation operation. A concerted state repatriation operation within the meaning of these Terms and Conditions means a state-initiated repatriation of all travellers of one nationality from one or more areas to the country of residence.

2.5. Rights in the event of a claim

2.5.1. The insured person shall be entitled to exercise his or her rights in the event of a claim.

- c) to release the doctors from their duty of confidentiality with regard to the insured event, insofar as this request can be fulfilled with legal effect.

2.6.2. If a contractual obligation to be fulfilled with regard to the insurer is intentionally breached, the insurer will be released from the obligation to pay benefits. In the event of a grossly negligent breach of an obligation, the insurer will be entitled to reduce the benefit in proportion to the severity of the fault. If it can be proven that the obligation was not violated due to gross negligence, the insurance cover will remain in force. The insurance cover shall also remain in force if the ticket holder proves that the breach of the obligation was not the cause of either the occurrence or the establishment of the insured event nor of the establishment or the scope of the benefit.

2.7. Subsidiarity

If, as the case may be, the insured person is entitled to benefits under other insurance policies (e.g. travel cancellation and curtailment insurance in the travel or rental agreement), the insurer will, as the case may be, only be liable to pay benefits for the amount in excess of the indemnifier's obligation to pay for the necessary expenses.
